Mission – Why are we here?

Build Suntory Group's presence and reputation in APAC

Tap into APAC's rapid growth to expand business portfolio and market share

Enrich lives of our consumers with healthy and tasty products

To be the leading Beverage & Food company in Asia Pacific, recognized for our healthy, natural and valuable brands which bring happiness & wellness into everyday life.

Vision – Where are we going?

Most admired and fast growing company in APAC

Good employer and business partner

Welcomed by consumers and by society

Growing For Good

SBFA shares the same vision as Suntory Group. As we continue to grow by providing better products & services to our consumers, we also strive to be a good employer and business partner. We want to be welcomed and respected – a company that is truly trusted.

Values – What do we stand for?

Coexisting with Nature

SBFA recognizes that our business is only possible thanks to natural resources such as water. We aim to be **in harmony with nature** to achieve sustainable growth by focusing on our environmental impact.

Sharing the Profit with Society

As our business grows, we also want to **give back** to the people and the communities we operate in. SBFA strongly advocates **Corporate Social Responsibility** through a wide range of cultural and social contribution.

Yatte Minahare – “Go For It!”

SBFA would like our employees to **not be afraid of trying new things** as we go forward. We want to **create unique value** by mixing and bringing great things together. Let us “Go For It” to innovate and take on challenges.

United in Diversity as ONE SUNTORY

Spanning across regions and cultures, SBFA aims to form a united workforce by harnessing the **diverse and unique strengths of our people**.
